## Academic Coaching Activity Log

Academic Year: \_\_\_\_\_

Coach's Name: \_\_\_\_\_

Mentee Name: \_\_\_\_\_

Academic coaches will meet with REACH Scholars one time per month and work with students to increase academic success, performance and personal motivation. They do not usually work with actual academic content but strive to refine the student's academic skills, time management, organization, study skills and self-advocacy to ensure academic success and to encourage a smooth transition into college.
