*Putting College in Student's REACH!*

**REACH (Realizing Educational Achievement Can Happen) Georgia** is a needs-based scholarship that begins in 8th grade. REACH Scholars are paired with a mentor and an academic coach through high school. Scholars must maintain good grades (2.5 GPA in core courses), behavior and attendance through middle school and high school. Scholars who successfully complete the program and graduate from high school are awarded a \$10,000 scholarship that can be
