The decision to accept an applicant into the program will be based upon a final assessment done by program staff at the completion of the mentor or mentee screening procedure. The program coordinator has final approval for an applicant’s acceptance into the program. No reason will be provided to mentor applicants rejected from participation in the program.

All mentors are expected to meet the eligibility criteria. However, extenuating circumstances may be reviewed at the discretion of the program coordinator and acceptance may then be allowed with written approval of the executive director and representative of the board of directors when all eligibility requirements are not clearly met. These instances are expected to be rare.

Documentation of the screening process must be maintained for each applicant and placed in confidential files.
